PAC Concession Fundraising Program

This great program allows students to work shifts at the PAC concession stand throughout the year. For each hour your student (or a family member works) your student will have \$5 deposited into their student orchestra account. These funds can be used to pay for optional trips and future membership fees.

Links to the PAC concession sign-ups are sent via email. Please be aware that these shifts are open to both orchestra and band students. It is important that all families sign up for a minimum of 3 shifts each year. PAC concession revenue not only benefits your student account directly but is currently the main source of funding for our ZOInc general fund.

Remember, if more than one family member works your account will benefit. For example, if orchestra student, mom, and dad all work a two hour shift at the concession stand, that student would receive \$30 into their student account. (2 hours X 3 worker's X \$5 per hours = \$30)

ZOInc (Zionsville Orchestras Inc.)

ZOInc is the 501c3 parent organization established to promote and support the orchestral program at ZCHS. All orchestra parents are members of the organization with annual board voting rights.

The annual membership registration fee for each child is \$100 annually, paid to ZOInc. This fee funds our organization and helps offset costs such as concert uniforms (which are not included in school fees), competition/festival fees, sectional coaches, guest clinicians, awards, group activities and much more.

The ZOInc board for 2022-2023 consists of six board members, and additional parents serve in key areas. All parents serve on a volunteer basis. Contact information is provided below.

You will receive communications throughout the year from zoincinfo@gmail.com keeping you informed of upcoming events as well as volunteer opportunities.
